Professional Experience

Analyst

GOVERNMENT ACCOUNTABILITY OFFICE, Atlanta, GA

November 2021 – Present

- Evaluates federal programs to advise Congress and various stakeholders on improving efficiency and effectiveness.
- Works cooperatively with a research team to create research designs that best fit necessary questions and objectives.

Instructor

AUBURN UNIVERSITY, Auburn, AL

January 2019 – Present

- Communicated research findings to expert and non-expert audiences through conference presentations, working with practitioners, and guest lectures.
- Coordinated and taught more than 15 classes to undergraduate students in both introductory and upper-level political science courses, such as research methods using R and STATA statistical software, Comparative Political Violence, or Introduction to American Government.
- Initiated and moderated classroom discussion to create a safe, open learning environment.
- Planned and revised curricula, methods of instruction, and course content for six different classes.

Graduate Researcher

UNIVERSITY OF GEORGIA, Athens, GA

August 2016 – May 2020

- Led collaborative efforts for producing original research using R, and STATA.
- Joined a grant-funded, multidisciplinary research team comprising scholars from policy and research institutions to expand sub-national human rights data into a publicly available global dataset.
- Independently performed data collection and data management for research on public attitudes towards human rights, including data sourced from and distributed through a survey created in Qualtrics.
- Cooperatively authored peer-reviewed research using methods such as multivariate regression, seemingly unrelated regression, and multi-level modelling.

Education
